Dear Mr. Dooley and Mr. Douglas:

On January 12, 2007, the Division of Workforce Development (DWD) received the "Request for Local Workforce Investment Board Certification and Membership List" for the St. Louis County Region. Included with the request for certification was a notification to change the Board's composition, and a nomination letter.

After reviewing these documents, DWD is approving the new Board composition. This approval is an interim certification of your Workforce Investment Board members until Missouri's new local board certification procedures are finalized.

Should you have any questions regarding this approval, please contact Sue Sieg at (573) 751-3106.

Thank you for your attention to this matter and your continued support in providing employment and training services to the St. Louis County Region.

Sincerely,

Roderick Nunn
Director
